## BISHOP E.W. JACKSON

Bishop E. W. Jackson, Sr. is author of the book, **"TEN COMMANDMENTS TO AN EXTRAORDINARY LIFE – *Making Your Dreams Come True*"** published in the summer of 2008. He is also Founder of Exodus Faith Ministries, a nondenominational ministry headquartered in Chesapeake, Virginia with a satellite church in Boston, Massachusetts.

On July 4, 2009, he launched S.T.A.N.D., [Staying True to America's National Destiny]. STAND is a national grassroots organization dedicated to restoring America's Judeo-Christian history, faith and values and preserving its Christian culture

STAND is working with ministries and communities across the nation to defend the values that make this nation great. With your help we're able to empower people to stand up against attacks on our religious freedoms and protect the lives of those who cannot speak for themselves.

Ours is a nation of industry and innovation; of creativity and productivity; of opportunity and prosperity; of decency and generosity; of noble ideals and courageous people; of laws and not of men; and of remarkable ability to correct itself. We must honor rather than denigrate our country; bless it rather than blame it for everything that is wrong in the world. It is time for a rebirth of American faith and freedom. Our Founding Fathers pledged their lives, their fortunes and their sacred honor to establish this nation. We must be willing to do the same to keep it. It is time to take a STAND.

Join us as Bishop Jackson brings an important message regarding our country and the times we live in.

**It is time for Pastors and Christians to  
STAND UP and be counted!**

**"It starts in the family. You got to rebuild the family. Have fathers take responsibility for their children."**

**"Jesus is alive forevermore. Through Him we have hope for the future of families and our country, not just in a glorious eternity, but in the darkest moments of the here and now."**
